

§ 2801.3

amended or assigned under these regulations shall contain such terms, conditions, and stipulations as may be required by the authorized officer regarding extent, duration, survey, location, construction, operation, maintenance, use and termination. The authorized officer shall impose stipulations which shall include, but shall not be limited to:

(1) Requirements for restoration, re-vegetation and curtailment of erosion of the surface of the land, or any other rehabilitation measure determined necessary;

(2) Requirements to ensure that activities in connection with the grant or permit shall not violate applicable air and water quality standards or related facility siting standards established by or pursuant to applicable Federal or State law;

(3) Requirements designed to control or prevent damage to scenic, esthetic, cultural and environmental values (including damage to fish and wildlife habitat), damage to Federal property and hazards to public health and safety;

(4) Requirements to protect the interests of individuals living in the general area who rely on the fish, wildlife and biotic resources of the area for subsistence purposes;

(5) Requirements to ensure that the facilities to be constructed, used and operated on the prescribed location are maintained and operated in a manner consistent with the grant or permit; and

(6) Requirements for compliance with State standards for public health and safety, environmental protection and siting, construction, operation and maintenance when those standards are more stringent than Federal standards.

§ 2801.3 Unauthorized use, occupancy, or development.

(a) Any use, occupancy, or development of the public lands that requires a right-of-way, temporary use permit, or other authorization pursuant to the regulations of that part and that has not been so authorized, or that is beyond the scope and specific limitations of such an authorization, or that causes unnecessary or undue degrada-

tion, is prohibited and shall constitute a trespass as defined in § 2800.0–5.

(b) Anyone determined by the authorized officer to be in violation of paragraph (a) of this section shall be notified in writing of such trespass and shall be liable to the United States for:

(1) Reimbursement of all costs incurred by the United States in the investigation and termination of such trespass;

(2) The rental value of the lands, as provided for in § 2803.1–2 of this title, for the current year and past years of trespass, or where applicable, the cumulative value of the current use fee, amortization fee, and maintenance fee as determined by the authorized officer for unauthorized use of any road administered by the BLM; and

(3) Rehabilitating and stabilizing any lands that were harmed by such trespass. If the trespasser does not rehabilitate and stabilize the lands within the time set by the authorized officer in the notice, he/she shall be liable for the costs incurred by the United States in rehabilitating and stabilizing such lands.

(c) In addition to amounts due under the provisions of paragraph (b) of this section, the following penalties shall be assessed by the authorized officer:

(1) For all nonwillful trespass which is not resolved by meeting one of the conditions identified in § 9239.7–1 within 30 days of receipt of a written demand under paragraph (b) of this section—an amount equal to the rental value and for roads, an amount equal to the charges for road use, amortization and maintenance which have accrued since the inception of the trespass;

(2) For repeated nonwillful or willful trespass—an amount that is 2 times the rental value and for roads, an amount 2 times the charges for road use, amortization and maintenance which have accrued since the inception of the trespass.

(d) In no event shall settlement for trespass computed pursuant to paragraphs (b) and (c) of this section be less than the processing fee for a Category I application for provided for in § 2808.3–1 of this title for nonwillful trespass or less than 3 times this value for repeated nonwillful or knowing and

willfull trespass. In all cases the trespasser shall pay whichever is the higher of the computed penalty or minimum penalty amount.

(e) Failure to satisfy the requirements of § 2801.3(b) of this title shall result in the denial of any right-of-way, temporary land use, road use application or other lands use request filed by not yet granted until there has been compliance with the provisions of § 9239.7-1 of this title.

(f) Any person adversely affected by a decision of the authorized officer issued under this section may appeal that decision under the provisions of part 4 of this title.

(g) In addition to the civil penalties provided for in this part, any person who knowingly and willfully violates the provisions of § 2801.3(a) of this title may be tried before a United States magistrate and fined no more than \$1,000 or imprisoned for no more than 12 months, or both, as provided by section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)) and § 9262.1 of this title.

Subpart 2802—Applications

§ 2802.1 Preapplication activity.

(a) Anyone interested in obtaining a right-of-way grant or temporary use permit involving use of public lands is encouraged to establish early contact with the Bureau of Land Management office responsible for management of the affected public lands so that potential constraints may be identified, the proposal may be considered in land use plans, and processing of an application may be tentatively scheduled. The ap-

propriate officer shall furnish the proponent with guidance and information about:

(1) Possible land use conflicts as identified by review of land use plans, land ownership records and other available information sources;

(2) Application procedures and probable time requirements;

(3) Applicant qualifications;

(4) Cost reimbursement requirements;

(5) Associated clearances, permits and licenses which may be required in addition to, but not in place of the grants or permits required under these regulations;

(6) Environmental and management considerations;

(7) Any other special conditions that can be identified;

(8) Identification of on-the-ground investigations which may be required in order to complete the application; and

(9) Coordination with Federal, State and local government agencies.

(b) Any information furnished by the proponent in connection with a preapplication activity or use which he/she requests not be disclosed, shall be protected to the extent consistent with the Freedom of Information Act (5 U.S.C. 552).

(c) No right-of-way applications processing work, other than that incurred in the processing of applications for permits for temporary use of public lands in furtherance of the filing of an application and pre-application guidance under paragraph (a) of this section, shall be undertaken by the authorized officer prior to the filing of an application together with advance payment as required by subpart 2808 of this title. Such processing work includes, but is not limited to, special studies such as environmental analyses, environmental statements, engineering surveys, resource inventories and detailed land use or record analyses.

(d) The prospective applicant is authorized to go upon the public lands to perform casual acts related to data collection necessary for the filing of an acceptable application. If, however, the authorized officer determines that appreciable surface or vegetative disturbance will occur or is a real possibility he shall issue a temporary use permit

§ 2802.2 Application filing activity.

§ 2802.2-1 Application filing.

Applications for a right-of-way grant or temporary use permit shall be filed with either the Area Manager, the District Manager or the State Director having jurisdiction over the affected public lands except:

(a) Applications for Federal Aid Highways shall be filed pursuant to 23 U.S.C. 107, 317, as set out in 43 CFR 2821;

(b) Applications for cost-share roads shall be filed pursuant to 43 CFR 2812;

(c) Applications for oil and gas pipelines shall be filed pursuant to 43 CFR 2880; and

(d) Applications for projects on lands under the jurisdiction of 2 or more administrative units of the Bureau of Land Management may be filed at any of the Bureau of Land Management offices having jurisdiction over part of the project, and the applicant shall be notified where subsequent communications shall be directed.

§ 2802.2-2 Coordination of applications.

Applicants filing with any other Federal department or agency for a license, certificate of public convenience and necessity or any other authorization for a project involving a right-of-way on public lands, shall simultaneously file an application under this part with the Bureau of Land Manage-

ment for a right-of-way grant. To minimize duplication, pertinent information from the application to such department or agency may be appended or referenced in the application for the right-of-way grant.

§ 2802.3 Application content.

(a) Applications for right-of-way grants or temporary use permits shall be filed on a form approved by the Director. The application form shall contain instructions for the completion of the form and shall require the following information:

(1) The name and address of the applicant and the applicant's authorized agent, if appropriate;

(2) A description of the applicant's proposal;

(3) A map, USGS quadrangle, aerial photo or equivalent, showing the approximate location of the proposed right-of-way and facilities on public lands and existing improvements adjacent to the proposal, shall be attached to the application. Only the existing adjacent improvements which the proposal may directly affect need be shown on the map;

(4) A statement of the applicant's technical and financial capability to construct, operate, maintain and terminate the proposal;

(5) Certification by the applicant that he/she is of legal age, authorized to do business in the State and that the information submitted is correct to the best of the applicant's knowledge.

(b) The applicant may submit additional information to assist the authorized officer in processing the application. Such information may include, but is not limited to, the following:

(1) Federal or State approvals required for the proposal;

(2) A description of the alternative route(s) and mode(s) considered by the applicant when developing the proposal;

(3) Copies of or reference to similar applications or grants the applicant has submitted or holds;

(4) A statement of need and economic feasibility or the proposal;

(5) A statement of the environmental, social and economic effects of the proposal.
